

LLOYD WRIGHT'S

# TLM

## SUGGESTED USE

*Oral use only.*

*Always keep frozen.*

*Do not use if security seal is broken or missing.*

## INSTRUCTIONS FOR USE

- Take one bottle of TLM per day, on an empty stomach in the morning or in the evening either half an hour before or two hours after a meal.
- Thaw content by holding the vial in the hand.
- Shake well.
- Uncap the vial and pour half of the content in the mouth. Hold for five minutes, then swallow.
- Repeat with the second half.
- Keep the vial closed between each step.
- Never unfreeze and refreeze the bottle.

## CHARACTERISTICS

- Isolated and purified through an exclusive cell-fractionation process.
- Manufactured at low temperature and frozen to preserve the structure and original properties of the selected proteins.
- Liquid extracts easily absorbed with no unpleasant taste or odor.
- No chemicals or preservatives added.

## WARNING

**TLM may not be suitable for:**

- 1) pregnant or nursing women;
- 2) persons taking immunosuppressors;
- 3) children under 12 years of age;
- 4) persons allergic to bovine products.

***Distributed by Lloyd Wright, P.O. Box 6347, Malibu, CA. 90265    [www.hepatitisfree.com](http://www.hepatitisfree.com)***
